

**INTRODUCING GOLDMINE PREMIUM EDITION 2014, THE AWARD
WINNING CRM SOLUTION PRODUCT LINE. GOLDMINE IS THE
EASIEST TO USE CRM PACKAGE ON THE MARKET.**

Your CRM solution needs to be powerful, easy to use and maintain. Only GoldMine brings all this together in a package that's affordable for any business.

- Eliminate duplication with a central database of marketing and sales prospects, customers, and suppliers with easy sharing
- Target the right contacts with segmented marketing campaigns, including telephone calls, email, and direct mail
- Increase sales productivity by monitoring the sales pipeline at all stages and streamline follow ups and reminders
- Improve customer loyalty by recording and following up on all customer service requests
- Communication tools to keep your brand and services in front of your customers on a regular basis to promote repeat business
- Optional Mobile Edition supports iOS and Android smartphones and tablets

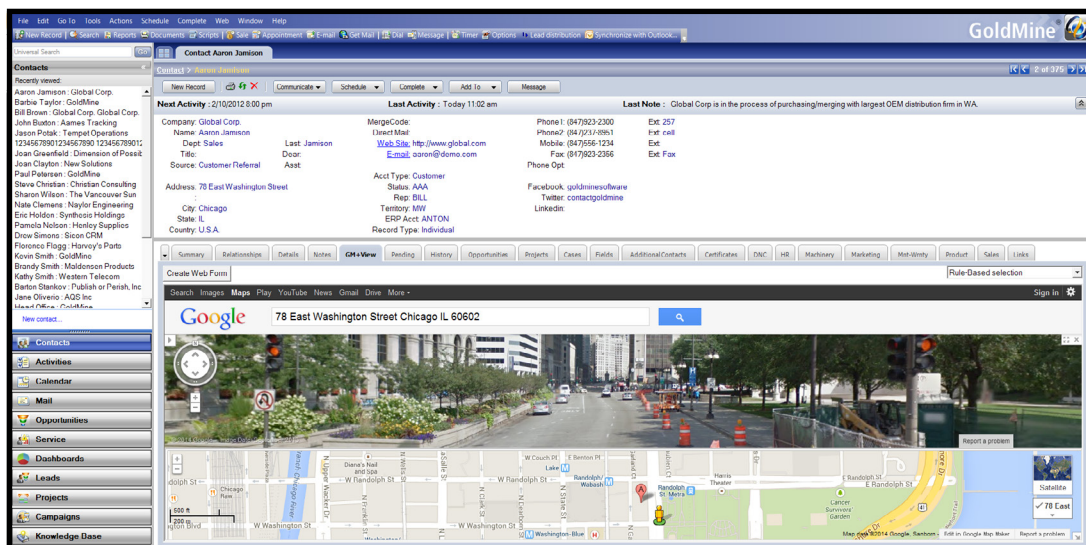

GoldMine is a leading customer relationship management (CRM) provider for Windows-based businesses. Whether the size of your business is small, medium or large, we have a solution for every stage of your company's growth.

GoldMine® Premium Edition

Insight | Knowledge | Results

GoldMine Work Areas - You are never more than one click away from a key task or detailed information

“GoldMine has exceeded our expectations and is instrumental to our company’s success.” Dr. Woolf, Air Animal Pet Movers

[Read the case study here](#)
